10 3. Defendant is informed and believes, and thereon alleges, that plaintiff's alleged
11 damages, if any, were wholly or partly contributed to or proximately caused by plaintiff's conduct

As and for a separate and forty-ninth affirmative defense, defendant alleges that plaintiff, plaintiff's agents, contractors, and/or other third parties have intentionally and/or negligently permitted spoilation of evidence integrally necessary to properly and thoroughly litigate this action, thereby resulting in irreparable injury and prejudice to this answering defendant's ability to defend itself in this matter, and thus estopping plaintiff's claim as against this answering defendant.

FIFTIETH AFFIRMATIVE DEFENSE**(Indispensable Parties)**

51. As and for a separate and fiftieth affirmative defense, defendant alleges that the purported claims and causes of action contained in the Complaint require for their full, final and complete resolution and adjudication, in the presence of additional necessary and/or indispensable parties that are not participating in this action, thereby prejudicing this answering defendant such that any recovery by plaintiff as against this answering defendant should be barred or diminished.

FIFTY-FIRST AFFIRMATIVE DEFENSE**(Misjoinder)**

52. This answering Defendant is informed and believes, and thereon alleges, that the Complaint on file herein, and the whole thereof, including each and every purported cause of action contained therein, is in violation of California Code of Civil Procedure §378 and the law of joinder and therefore contains a misjoinder of plaintiff.
